August 2, 2021

Greetings,

The Annual Southeastern Regional Lectureship is slated to be hosted by Bro. LeRoy Butler, Jr., and the South Ga Area Churches of Christ in October 2021.

However, many factors have affected our ability to convene the lectureship this year. These factors include the rise of COVID19 cases with the Delta variant, and the restrictions in place by the Rainwater Conference Center which is the venue for the lectureship.

The conference center has limited the number of persons who can gather which would cripple our intended number of participants for the lectureship.

Therefore, the Southeastern Regional Lectureship has been postponed until October 2022. Participants and vendors who have already registered for the lectureship will remain registered for the 2022 Lectureship.

We look forward to assembling with you in October of 2022. May God continue to bless each of you.

LeRoy Butler, Jr.
